

Jack Daniels Stories: Fifteen Mystery Tales

JA Konrath, known for the Jacqueline Jack Daniels thrillers set in Chicago, offers this collection of short stories and novellas from the Jack Daniels universe. Join Jack Daniels, her partner Herb Benedict, private eye Harry McGlade, and part-time criminal Phineas Troutt, in this omnibus of 15 stories. These were previously published in magazines and anthologies, and many are long out of print. On the Rocks - Suicide or murder? Lt. Jack Daniels solves a locked room mystery. Whelp Wanted - P.I. Harry McGlade becomes a dognapper in order to stop a dognapper, or something like that. Street Music - Phineas Troutt hunts a prostitute through the dangerous streets of Chicago. Are his intentions pure? The One That Got Away - The Gingerbread Man (the villain from WHISKEY SOUR) hunts one final victim. With a Twist - It looked like the man fell from a great height, but the body is in his living room. Jack Daniels solves another impossible crime. Epitaph - Phin Troutt takes on a Chicago street gang with vengeance on his mind. Taken to the Cleaners - Harry McGlade tries to solve a difficult mystery, but mostly just goofs off. Body Shots - Jack Daniels faces her most challenging case yet; a school shooting. But does she know more about the perp than she realizes? Suffer - Phineas Troutt has taken some questionable jobs, but will he murder a man's wife? School Daze - P.I. Harry McGlade investigates a private school, but he's not entirely sure why. Overproof - While shopping on the Gold Coast, Jack Daniels notices traffic has come to a stand-still. When she realizes what the problem is, she's confronted with her own mortality, and the possible deaths of hundreds. Bereavement - How badly does Phineas Troutt need a fix? What is he willing to do? Pot Shot - Detective Herb Benedict just wants a home cooked meal. But his plans get interrupted by a very determined sniper. Last Request - Phineas

Troutt picks up a hitchhiker, with deadly results. The Necro File - Harry McGlade investigates some bizarre murders in this hilarious, gore-filled mini-epic. (Authors note: This is easily the funniest thing I've ever written, but it's also very offensive. Let the reader beware...) Also includes the bonus novella Truck Stop. That's over 75,000 words of Jack Daniels action

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de léger à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
