

Louise Golden Mysteries Boxed Set: Books 1-4

BOOKS: 1 - 4 in the Louise Golden Mystery series. This special edition includes the first four books of the bestselling Louise Golden series. Over 600 pages of mystery, suspense, and murder set against a background of tropical paradise! Meet mail carrier Louise Golden Almost Paradise (Book 1) Mail carrier Louise Golden lives on the island of Oahu and enjoys a friendly camaraderie with the people on her delivery route. When she notices Mrs. Santos missing from her home, Louise becomes concerned. As she questions neighbors in an attempt to learn what became of the elderly woman, Louise is pulled into a mystery involving abductions, car tails, a celebrity pool party, exotic dancing, smuggled Hawaiian artifacts, and, of course, murder. How Far is Heaven? (Book 2) Christmas is never easy for mail carriers. But for Louise Golden, the season of good cheer is about to become a nightmare. Exhausted after a long day of delivering mail in nasty weather when, through the heavy rain, a ghostlike figure appears in her headlights. Louise hits her brakes, but its too late. The girl is taken to the hospital, unconscious. Who is she? What was she doing in the middle of the road on a rainy night, dressed only in an oversized tee-shirt? Louise is suspended from work during the accident investigation. Meanwhile, with the holiday in full swing around her, shes confronted with religious traditions she feels no connection to. And how in the world is she supposed to sort out her relationships with the four men in her life? Each one seems almost right, and yet so completely wrong.

Another Day in Paradise (Book 3) Dog nappings have doubled on O`ahu over the past year. Brazen thefts of beloved pets from their homes have the community on edge. A beautiful, mysterious Chinese actress is distraught when her Pomeranian is stolen. Mail carrier Louise Golden finds the missing pooch, only to learn the actress

is suddenly gone, with her belongings. Dogs are disappearing. Street people are being abducted by aliens or so claims Louise's homeless friend, Frankie. Clues point in different directions. Nothing adds up. A masked man appears out of nowhere and warns Louise to mind her own business. What did he mean? Everyone is a suspect: her boyfriend who tells stories for a living, the ex-lover who once betrayed her, the acting coach skilled in the art of deception, the shameless stalker in the yellow Tweety Bird van. At the polo field, tempers flare. Someones bound to get hurt. Things heat up for Louise, as well, when a sexy Brazilian polo player befriends her. Is he truly a friend, or a rake intent on seducing vulnerable women? Can Louise even trust her own spiritual awakening to help her find a path to understanding or is she faking it and running blindly to a dead end? What will she do when she comes face to face with her greatest fears?

Stairway to heaven (Book 4) The Hawaiian Islands are experiencing their worst drought in recorded history. Wildfires burn out of control across the state. When firefighters discover a badly charred body on a steep mountain ridge, wearing swim fins and a diving mask, it sounds like the stuff of urban legends.

The body is identified as a man on Louise's postal route and she wonders if a mysterious package she delivered to him could hold the key to his death. Louise learns what was in the package and why everyone wants it, but is sworn to secrecy. One deception leads to another as Louise hides the truth to protect the innocent, and the not-so-innocent.

A nineteen-year-old boy is suspected of murder, but Emmeline can't believe it. The two teenagers run away on a stolen sailboat. A hurricane forming in the Pacific could be the answer to prayers for rain that would put out the destructive fires. As Louise races to find the missing sailboat, it becomes clear the approaching storm may not be the biggest threat to Emmeline's safety.

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Oui certains diront que Åa fait parti du hobby mais c'est vraiment ce que je dÅteste le plus. Et puis lÅ c'est de l'industriel. Mais voilÅ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin aoÅt-. Mais Å quoi Åa correspond? Donc dire des trous c'est bien mais Åa renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÅger Å lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÅÅu de ne pas avoir plus de soldats Å pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÅme table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu fait celle lÅ et autant en 8cm, Åa va. Il faut voir ce que cela m'aurait coutÅ dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÅme un trÅs bon rapport qualitÅ-prix par rapport Å ce que je recherchais. Il le reste Å Åbarber les trous pour y glisser l'aimant et Åa sera parfait je pourrais retourner Å mes figurines.
