

The Plays of Saint Therese of Lisieux: Pious Recreations

Over a period of about three years toward the end of her life, St. Therese of Lisieux (1873-1897) was asked by her Carmelite superiors to compose eight theatrical pieces for special occasions in her convent. She did not consider them mere trivial amusements. On the contrary, Therese invested herself wholeheartedly in the writing and performance of these little dramas, which provided a welcome opportunity to articulate her growing spiritual insights and share them with her religious community. Here we find echoes of her great themes, some where developed at greater length than anywhere else in her writings: Mary of Nazareth and Joan of Arc, humility and the little way, confidence and love, and so much more. In the present volume, for the first time, all eight of her plays (or pious recreations, as they are sometimes called in the French) are published together in their entirety for English-speaking readers. They open a new window onto the message of the church's youngest Doctor. Also included is a masterful general introduction by the noted Theresian expert, Bishop Guy Gaucher, O.C.D., as well as individual introductions to each play explaining it in context and significance.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme à chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'ger à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis d'accord de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un

jour sur la mÃame table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu faire celle lÃ et autant en 8cm, Ãa va. Il faut voir ce que cela m'aurait coutÃ© dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÃame un trÃs bon rapport qualitÃ©-prix par rapport Ã ce que je recherchais. Il le reste Ã Ã©barber les trous pour y glisser l'aimant et Ãa sera parfait je pourrais retourner Ã mes figurines.
