

The Case Of The Tattooed Buttocks: An Inspector Cullot Mystery

A DETECTIVE/MURDER MYSTERY LIKE NO OTHER Following the murder of a sexy, blonde bombshell (and, soon after, the bloody, gruesome, shocking murder of yet another sexy broad), ex-Inspector Cullot is called in to team up with his old side-kick, Detective Sergeant Watkins, to investigate the baffling crime. Together they set about solving the mysterious deaths at Bounderdales, the opulent mansion of the oil magnate, Henry Barble. A small group of the rich, decadent, sophisticated and ultra-sexy are staying at the mansion. What secrets are each of them harbouring? Who are the guilty parties? And what is the dark secret from his own past which causes Cullots frequent moments of dark despair? Why did he leave the Police Force? Did he jump, or was he pushed? Why does he now work in a department store, in Ladies Underwear? The police constable first on the scene of the initial murder, PC Blunt, is ready to record every detail of the case, and assist his colleagues in their work. But what is his own past..? Is he as half-witted as he seems? What about gorgeous, sexy blonde bombshells, Stephanie and Gloria? And louche, limp-wristed Anthony Newhome? And Barbles son, Oswald? And Barbles demure, bespectacled secretary, Abigail? And ex-movie star, Janice Butler? Are they all who they say they are, or are some of them involved in a deadly game of murder and revenge? How are these murders linked to the unsolved Night-Club Hostess Murders which took place two years earlier? And, most puzzling of all, what is the meaning of the tattoos on the gorgeous buttocks of the assembled ladies? Thrill to the suspense, the heart-ache, the twists and turns, the laugh-a-minute of this hilarious, baffling mystery. Get ready to follow the roller-coaster plot, with one surprise after surprise, and scintillating word-play and sparkling dialogue between the marvellous host of characters. Will you

be able to work out who did it? A detective/murder mystery like no other

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'ager à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
