

## Murder on the Orient (SS): The Agatha Christie Book Club 2

IN her best-selling whodunnit *THE AGATHA CHRISTIE BOOK CLUB, C.A. Larmer* introduced the motley collection of crime buffs who channel their inner Miss Marple to help solve real-life mysteries. Now the good friends are back in the much-anticipated sequel *WHEN* the Agatha Christie Book Club takes a short cruise on a replica steamship, the SS *Oriente* real ship that once sailed between London and the colonies they expect little more than a glamorous voyage back in time. What they get has eerie echoes of the original *Orient Express*, including a passenger dead in their bed, a threatening note and more clues than you can poke a blood-soaked dagger at. When a second passenger vanishes overboard in the dead of night soon after, the team suspect they have a madman on their hands and abandon their shuffleboard to investigate. The problem is, just like Hercule Poirot, they have very little time, no CCTV, and enough red herrings to fill a seafood buffet. It doesn't help that the entire ship is rallying behind the leading suspect Captain Van Tussi, a man with friends in high places who may or may not be taking everyone for a ride. Jump aboard for the latest adventure of the Agatha Christie Book Club, a beloved group of friends who include devoted sisters Alicia and Lynette, poisons expert Dr Anders, ditzy librarian Missy, paleontologist Perry and vintage queen Claire. This time there's a new member lurking in the wings can you guess who it will be? Ship ahoy for another fun, fast-paced mystery by Aussie author C.A. Larmer. This book follows British English spelling and usage, and contains some Australian slang. Clean read: no graphic violence, sex, or strong language. Genre: humorous, cozy mystery series, amateur sleuths, international mystery

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est

du monobloc donc m'ame si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque d'obut de d'ofi, je suis dans les temps, limite mieux qu'esperer. Mais par experience je sais que c'est le creux du d'ofi qui m'est fatal donc on verra quand j'aurais tout barbe :) Publi par CdtK 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis l' c'est de l'industriel. Publi par CdtK 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voil les plaquettes de 6cm ont percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voil pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'ger l'ourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis d'assu de ne pas avoir plus de soldats l' pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la machine table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle l' et autant en 8cm, ça va. Il faut voir ce que cela m'aurait couté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines. Publi par CdtK 09:52 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis!
