

Space Chimps Look and Find (Look and Find (Publications International))

Every action-packed Look and Find activity book features fun and exciting things for kids to find and explore. Look & Find: Space Chimps enables children to search the colorful scenes as they follow Ham from his humble beginnings in the circus to the strange alien world he explores. In each scene, children can use their Look and Find skills to find all kinds of ordinary and extraordinary things. At the end of the book, children are encouraged to revisit to the scenes for even more Look and Find challenges. Look & Find: Space Chimps has a hard cover and thick pages designed to withstand rips and tears. Children can exercise their search skills as they join their favorite Space Chimps characters in these eight out-of-this-world adventures: As Ham prepares to blast out of a cannon at the circus, find the clown, the girl on the trapeze, and other fun circus acts. Search for chimp-friendly pieces of interstellar equipment in the Simian Center at the Space Agency. The probe from Earth has crash-landed on the planet of Malgor. Look for the poor Malgorians that Zartog has frozen to look like statues. Help Ham and Luna spot the quicksand, snake creature, and other dangers as they try to escape the alien army on Malgor. At Zartogs palace, Titan sees strange new things. See if you can spot the alien pie, lemonsfort, glecknard, and snizzlefruit. Search for the Malgorians as the Space Chimps board the Chimpfinity and head for home. As Ham pilots the Chimpfinity, look for Halleys Comet, Saturn, Orion, and other space spots. The Space Chimps are welcomed home with a ticker-tape parade. Look for the American flag, a Ham balloon, and other fun parade items.

Et les renforts arrivent encore Bon Ã sera la derniÃre revue de troupes de la semaine. Donc on arrive Ã 300 figurines il en reste donc 420... mais Ã va Ã avance bien. Je m'amuserais surtout sur les petites piÃces. LÃ c'est du monobloc donc mÃme si la ligne de moulage est visible -donc il faut Ãbarber presque tout le tour de la figurine... oui oui.- Comme Ã chaque dÃbut de dÃfi, je suis dans les temps, limite mieux qu'espÃrer. Mais par

expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout débarrassé :) Publié par CdtK le 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK le 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'âge lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à débarrasser les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
