About William Evans William Evans was born January 1, 1870 in Liverpool, England, to George Evans. He died in 1950, in California. On June 20, 1889, when he was 19, he immigrated to the United States, from Liverpool. William Evans was a New York journalist with a very comfortable salary. He heard D.L. Moody preach in New York City on Luke 5. Moody challenged young people to give themselves to Christian service, and suddenly looked down at William Evans and pointedly said, Young man, I mean you. Afterwards Moody found Evans and told him that somehow God had told him that He was calling Evans to service. Evans mentioned his good salary, and Moody told him to pack up his trunk and go to Chicago, not worrying about the money. William Evans became the first graduate of Moody Bible Institute in 1892, two years after it was dedicated. Dr. Evans was an unusually accomplished man. He pastored several churches and wrote over 50 books. He memorized the entire King James Version of the Bible as well as the New Testament of the American Standard Version. Dr. Evans also authored over fifty books. About Personal Soul Winning This evangelistic book could also be entitled, How to Sell Others on Evangelical Christianity. This book focuses on methods of converting unbelievers. Even though this book was written in 1910, you'll find human nature hasn't changed as we see many of the same obstacles when witnessing to people today. Evans discusses a number of how to and what if situations--how to respond to certain criticisms of the Bible, how to handle different objections, penetrating common excuses (which really haven't changed all that much), and how to handle various personality types.

Et les renforts arrivent encore Bon Ãa sera la derniÃre revue de troupes de la semaine. Donc on arrive Ã 300 figurines il en reste donc 420... mais Ãa va Ãa avance bien. Je m'amuserais surtout sur les petites piÃces. LÃ c'est

du monobloc donc m'ame si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque d'obut de d'ofi, je suis dans les temps, limite mieux qu'esperer. Mais par experience je sais que c'est le creux du d'ofi qui m'est fatal donc on verra quand j'aurais tout barbe :) Publi par CdtK 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis l' c'est de l'industriel. Mais voil pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'ger l' lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis d' de ne pas avoir plus de soldats l' pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la machine table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle l' et autant en 8cm, ça va. Il faut voir ce que cela m'aurait couté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines. Publi par CdtK 09:52 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis!
