

## On Thin Ice

Alberta Childrens/Young Adult Book of the Year winner 2007 White Ravens: International Youth Library selection of outstanding books, 2007 ForeWord Magazine Book of the Year Awards Honorable Mention - Young Adult Fiction 2006 Canadian Childrens Book Centre Our Choice, 2007 Ashley Anowiak is in search of a murderous polar bear that may be real or mythical. The only thing for certain is that what she discovers will change her life - and her community - forever. In spite of its name, no one in the tiny troubled hamlet of Nanurtalik the place with polar bears can remember seeing a polar bear in decades. But when a teenagers dismembered body is discovered on a nearby ice road, everyone fears polar bears have returned. The community is thrown into chaos as another suspected bear attack sparks a flurry of bullets that whiz through the town during a blinding four-day blizzard. Was it a real or phantom bear? No one can say for sure. Ashley Anowiak is swept into this storm of confusion by her special link with polar bears expressed through the magic of her art and the terror of her dreams. She finds herself on the trail of Nanurluk, a giant bear that has haunted her people for thousands of years. Ashley's bear hunt leads from the frozen catacombs beneath Itkiqtuqjuaq to the jumbled ice fields covering the Arctic Ocean. As she closes in on the bear, Ashley's inner and outer worlds are torn apart, leaving her desperate for any stability she can find. This is the story of a gifted northern youth struggling to find her true home in a fast-changing arctic, where culture, climate and landscape seem to be crumbling all around her.

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! sur Facebook Partager sur Pinterest LibellÃ©s : Blabla lundi 1 aoÃ»t 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe Ã l'infanterie. j'adore l'Ã©barbage. Oui certains diront que Ã§a fait parti du hobby mais c'est vraiment ce que je dÃ©teste le plus. Et puis lÃ c'est de l'industriel. PubliÃ© par CdtK Ã 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÃ©s : Blabla vendredi 22 juillet 2016 Pour une poignÃ©e de trous en plus VoilÃ les plaquettes de 6cm ont Ã©tÃ© percÃ©es... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la mÃche. Mais voilÃ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin aoÃ»t-. Mais Ã quoi Ã§a correspond? Donc dire des trous c'est bien mais Ã§a renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÃ©ger Ã lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÃ©Ã§u de ne pas avoir plus de soldats Ã pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÃame table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu fait celle lÃ et autant en 8cm, Ã§a va. Il faut voir ce que cela m'aurait coutÃ© dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÃame un trÃs bon rapport qualitÃ©-prix par rapport Ã ce que je recherchais. Il le reste Ã Ã©barber les trous pour y glisser l'aimant et Ã§a sera parfait je pourrais retourner Ã mes figurines.
