

Henry Hartmans Boondoggle Crisis (Off-the-Books Mystery Book 2)

From a ratty motel in Berlin, CT to a lagoon villa on Hilton Head, SC, newlyweds Syd and Henry are on one wild honeymoon...desperately seeking answers to why the mob is so determined to whack the new bride.... FBI Agent Henry Hartman is big, fat liar, a master of deception, and no one knows this better than his new wife and sidekick, Sydney Stansfield, the woman he roped into working on highly classified off-the-books operations. On the run from the Boston mob, the couple flees, hiding out as best they can, trying to solve the dirty, little secret that has the Boyle family hiring a series of hit men. Blackie Walsh, the ruthless gangster on trial, is determined to force Tom Boyle to fork over his \$2 million, but the moneys evaporated. That financial business that used to help fund IRA activities is now struggling after the bottom fell out of the money market. Enter Syds ex-husband, Matt Boyle, the guy she put through dental school. Hes pretending shes a gold-digger, even as he plots to whack her. The familys money-laundering just gets dirtier and dirtier -- no amount of detergent can clean up this mess! Changing cars like people change their socks, the couple drives a succession of vehicles -- everything from the beat-up decorating van to the shiny red Lincoln MKZ to the royal blue Mini Cooper clown car. They take shelter anywhere they can -- motel rooms, hotel rooms, cabin in the woods, condos, and even three villas, all while trying to enjoy their new status as married couple on the run. Thank heavens for the new pound pooch they rescued from the Humane Society. Theyre bound to stay together for the sake of the dog, right? But everybody keeps threatening the tiny Maltese terrier, just to get to Syd. What gives? As the action heats up, Syd is forced to face her biggest fears in a gator-laden lagoon, on a dark, chilly night in South Carolina...and again, when a

deadly package keeps showing up on her doorstep, courtesy of a very determined hit man. When the finale finally arrives, it will leave you breathless, thanks to a killer out to use the Boston mob for cover for a very sinister game of intrigue.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de léger à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
