

Return (Matt Turner) (Volume 3)

Matt Turners psychic ability has granted him a window into the entirety of Earths intelligent beings - past and present - but this gift has also been his heaviest burden. A talent like Matts can only be kept secret for so long, and ruthless individuals desiring lost and rare items viewed him only as a prized tool. Now, there is no more secret. Despite living a reclusive existence - unseen in five years - Matthew Turner is among the most recognized names on the planet, and wealthy collectors arent alone in seeking the only confirmed, undisputed psychic the world has ever seen. Most people simply want his help tracking down a missing loved one. But its something else that lures Matt out of hiding, and he knows it will offer more than mere lost treasure or a priceless artifact. For more than five centuries, Egypts great Library of Alexandria housed all the collected knowledge of the known world. In the Third century AD, its estimated 700,000 scrolls were forever lost to fire - a loss so great, it has since come to symbolize, worldwide, the destruction of cultural knowledge. A small length of stone engraved with seemingly random symbols may reveal an alternative ending to the Librarys collection, but only in the able hands of Matt Turner. At only 32, hes seen and experienced more of life and death than any person alive, and with this unique talent and perspective, hes now ready to set right the wrongs of both yesterday and today. Book Three of the bestselling Matt Turner Series.

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis!
