

Hand Me Another Brick Bible Companion: Timeless Lessons on Leadership

In today's fast-paced, highly competitive world, where can we find godly leadership? Our society is overdue for a fresh word on the matter of leadership. We desperately need God's steady, unchanging wisdom in our businesses, homes, ministries, government, and education. Thankfully, we have beloved pastor and teacher Chuck Swindoll to guide us through a powerful book on leadership—the book of Nehemiah. In *Hand Me Another Brick Bible Companion*, you'll travel into Nehemiah's world where the walls of his beloved city, Jerusalem, had crumbled, its glory had collapsed into rubble, and his people had lost the heart to go on. They needed leadership. And with God's help, that is exactly what Nehemiah provided . . . in abundance. With God's help, you too can rise to the challenge of becoming a dynamic, godly leader. You'll find the insights and help you need in the lessons and special features of this excellent Bible Companion. Written for both individual and small-group study, the carefully crafted questions and reflections will draw you closer to God and equip you to lead with godliness, grace, and confidence. Join Chuck and Nehemiah now in rebuilding the walls of your life. And when times are tough, don't give up, just look to the Leader of all and say, *Hand me another brick!*

Et les renforts arrivent encore Bon Ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais Ça va Ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme à chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que Ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi Ça correspond? Donc dire des trous c'est bien mais Ça renseigne pas beaucoup alors 1200

trous c'est : 594 soldats -de l'acier lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis d'accord de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
