

The letters of Horace Walpole, fourth earl of Orford

Book may have numerous typos, missing text, images, or index. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. 1905. Excerpt: ... and will commit fifty times more excesses, massacres, and devastations than last year. George Selwyn says that Monsieur, the Kings brother, is the only man of rank from whom they cannot take a title. How frantically have the French acted, and how rationally the Americans! But Franklin and Washington were great men. None have appeared yet in France; and Necker has only returned to make a wretched figure! He is become as insignificant as his King; his name is never mentioned, but now and then as disapproving something that is done. Why then does he stay? Does he wait to strike some great stroke, when everything is demolished? His glory, which consisted in being minister though a Protestant, is vanished by the destruction of Popery; the honour of which, I suppose, he will scarce assume to himself. I have vented my budget, and now good night! I feel almost as if I could walk up to bed. 2736. To Miss Mahy Berey. Strawberry Hill, July 2, 1790. I Wrote a bit of a letter to you tother day in such a hurry that I dont know what I said--though I fear more than I intended--but no more of that. My neighbourhood, though Richmond is brimful both of French and English, furnishes no more entertainment than usual, for which I am much more sorry on your account than on my own, for my letters will not be amusing. My personal history is short and dull. I have made my chief visits; my offices advance, and I have got in most of my hay, and such a quantity, that I believe, I believe, it will pay for half a yard of my building. All news have centred in elections; I care about none, nor have listened to any. They and the pressgangs have swept the roads of footpads Lettes 2786.--Not in 0. and

highwaymen, who hide themselves, or are gone to vote. Whether they who used to come to see my house are of either c...

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de léger à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner à mes figurines.
