

Social Origins, And, Primal Law (Classic Reprint)

Excerpt from Social Origins, And, Primal Law
The portion of this book called Primal Law is the work of the late Mr. James Jasper Atkinson. Born in India, of Scottish parents (his mother being the paternal aunt of the present editor), Mr. Atkinson was educated (1857-1861) at Loretto School, then managed by Messrs. Langhorne. While still young he settled on certain stations in New Caledonia bequeathed to him by his father, and, except for visits to Australia and a visit to England, he lived and died in the French colony. His ingenious mind was much exercised by the singular laws and customs of the natives of the New Caledonian Archipelago and the adjacent isles. These peoples have been little studied by competent European observers - that is, in New Caledonia. Mr. Atkinson wrote an account of native manners before he had any acquaintance with the works of modern anthropologists, such as Mr. Tylor, Mr. McLennan, Lord Avebury, and others. To these he later turned his attention; he joined the Anthropological Institute, and, in the course of study and observation, he discovered what he conceived to be the Primal Law and origin of morality, as regards the family. In his last illness, in 1899, he was most kindly attended by Commander John Haggard, R.N., then Her Majesty's Consul in New Caledonia. Mr. Atkinson's mind, in his latest moments, was occupied by his anthropological speculations, and, through Mr. Haggard, he sent his Ms. to his cousin and present editor. I have given to it the last cares which the author himself would have given had he lived.

About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged

copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'ager à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
