

The Rich Are Different (The Dakota Stevens Mysteries Book 2)

The Rich Are Different, the 2nd novel in the Dakota Stevens Mystery Series, enters the rarefied world of a Long Island heiress and her murdered brother who owned an Old West resort in Montana. Dakota Stevens, the tough and charming New York private eye, returns with his sexy and brilliant associate Svetlana Krush in a case that takes them both into the Old West... To hunt down the mans killer, Dakota and Svetlana must go undercover as actors in a make-believe mining town straight out of 1885. This highly anticipated sequel to A Real Piece of Work picks up a few months after that difficult case. Dakota Stevens is depressed. Hes darker, battle-scarred and less cavalier. Hes lost his detecting mojo and hasnt taken a case since A Real Piece of Work. Can he get his mojo back and find the killer? Like bullets from a Gatling gun, the suspects come fast and furious: eccentric heiresses, greedy CEOs, catty thespians, sexy henchwomen, angry Native Americans, mysterious mobsters, menacing mercenaries, kinky housewives and contract killers. Its a classic case of East meets West as Dakota and Svetlana follow a trail of clues that takes the reader from the sophisticated setting of The Great Gatsby to the forbidding land of Pale Rider. National Bestselling Author Dave King calls The Rich Are Different, Brainy, stylish, imaginative and a great deal of fun. Praise from Amazon Customers: Had I paced myself, I could have milked at least a week out of the book. But, no. My will power waned and I was done in 2 nights. Dakota Stevens is thoroughly likeable and appealing with his rich mix of chivalry and clever mischief. The Rich Are Different is an excellent sequel and has been well worth the wait. This series is quick-paced with its twists and turns that you wont be able to put down the book until you and Dakota solve the crime. Ill read anything Orcutt puts out. Anyone who reads this should make sure to have a

defibrillator nearby. The characters are so real, the storyline so compelling, that real life took a backseat during the 2 days I was reading each of these books. The writing is excellent. The story moves at a good pace. What I like most is the characters are just spot on. Great book. Great writer. There are no wasted words, no extraneous chapters, no unnecessary passages, just good old fashioned mystery and suspense, without being melodramatic or over the top. Grab some coffee, a Snuggly and a fresh pair of Depends because you won't be able to stop reading once you start! A fantastic journey through beautifully described landscapes with an exceptionally well-written cast of characters. The attention to detail Orcutt achieves while still keeping the story moving at a quick pace is genius.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de léger à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
