

## True-Life Adventure (Paul Mcdonald Mystery #1) (The Paul Mcdonald Series)

A Prize Plot. -San Francisco Examiner A bright, light, cleverly written tale. -Cincinnati Post HE KNOWS TOO MUCHBUT HE DOESNT KNOW WHAT HE KNOWS Things were going lousy for ex-reporter Paul Mcdonald: No money, no girl friend, no bright new career as a mystery novelist and then along came private investigator Jack Birnbaum with an offer: hed detect, and Paul would write the client reports. It wasnt much, but it would keep Spot the cat in Kitty Queen tidbits. But then somebody poisoned Jack in Pauls own living room. A day that begins with a body in your house really ought to get better, but next comes burglary and after that, assault-by-cop. And Pauls got a feeling thats just the beginning. There must have been something someone didnt want him to know in one of those client reports. But what? The wise-cracking, funny, but slightly depressed ex-journalist better become an ace private investigator in about two secondsor end up like his detective mentor. Birnbaums last report concerned a kidnapped child, so Paul begins there. The trail leads him to the laboratory of a Nobel laureate geneticist, and then to San Francisco City Hall, where an extremely nasty surprise awaits. But theres an upsidelovely witness Sardis Kincannon. Nothing like falling in love while youre running for your life! The FIRST Paul Mcdonald P.I. mystery by the Edgar-winning author of the Skip Langdon series One more blithe San Fran outing with a likeable journalist-sleuth by the name of Paul Mcdonald Smith improves with each story and this is her best to date. -Kirkus Reviews The San Francisco Bay Area shines here, as does the authors wit and humor. Fans of CASTLE, MURDER SHE WROTE, even ELLERY QUEEN will enjoy this fast-paced and funny take on the mystery-writer-as-detective. As will people who like their male sleuths wry, witty, and a little on the soft-boiled

sidefans of Parnell Halls Stanley Hastings, say, Tony Dunbars Tubby Dubonnet, Gregory Mcdonalds Fletch (this Mcdonald, its worth noting, is Pauls personal hero), Lawrence Blocks Bernie Rhodenbarr, and especially Rex Stouts Archie Goodwin. Female sleuths with a sense of humor remind us of him too for instance, Criminal Minds Penelope Garcia and the immortal Amelia Peabody (of whom hed be terrified if they ever met). Want to sample the goods? That stuffll kill you. What? Your coffee? Jack was just doctoring his second cup. No. All that sweetener. Youre poisoning yourself. Weve all gotta go sometime. Jack went right about then. His eyes rolled back and he let go of the cup. Coffee sloshed all over my rug. His big body fell forward in the chair. \*\*\* These were the facts: I was thirty-eight. Id spent fifteen years on one major metropolitan daily or another. Id written six unpublished detective novels. Unpublished in spite of my name. John D. MacDonald did it daily. Ross Macdonald did it deeper. Gregory Mcdonald did it with dash. Wrote thrillers and got them published. But not Paul Mcdonald. I just wrote them, supporting my habit with clients like Jack. I had about two hundred bucks to last me the rest of my life. My only client was dead. The market for mysteries was terrible. I didnt get out enough. The only thing Id ever done successfully was write newspaper stories. And I was sitting on a great story. A story he can sell, if he can catch the murderer before the murderer catches him.

Et les renforts arrivent encore Bon Åsa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åsa va Åsa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla lundi 1 aoÅt 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe Å l'infanterie. j'adore l'Åbarbage. Oui certains diront que Åsa fait parti du hobby mais c'est vraiment ce que je dÅteste le plus. Et puis lÅ c'est de l'industriel. PubliÅ par CdtK Å 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla vendredi 22 juillet 2016 Pour une poignÅe de trous en plus VoilÅ les plaquettes de 6cm ont ÅtÅ percÅ... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la mÅche. Mais voilÅ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais

fin aoÃ»t-. Mais Ã  quoi Ã sa correspond? Donc dire des trous c'est bien mais Ã sa renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÃ©ger Ã  lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÃ©Ã§u de ne pas avoir plus de soldats Ã  pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÃªme table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu faire celle lÃ  et autant en 8cm, Ã sa va. Il faut voir ce que cela m'aurait coutÃ© dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÃªme un trÃ¨s bon rapport qualitÃ©-prix par rapport Ã  ce que je recherchais. Il le reste Ã  Ã©barber les trous pour y glisser l'aimant et Ã sa sera parfait je pourrais retourner Ã  mes figurines.
