

## Ransom, P.I. - The Complete Trilogy

The complete collection of the Ransom, P.I. series! This boxed set includes all three volumes. Follow Daniel Ransom, P.I., through all of his adventures with:

Volume One: *Dead Eyes Paris, 1945.* Foreigner and struggling Private Investigator Daniel Ransom takes a missing persons case that seems like any other. Before long, however, things begin to look a bit more serious, a bit more sinister. Strange occult references turn up at the crime scene and Daniel begins to hear word of a new hallucinogenic drug hitting the streets. A drug that sells faster than opium and, more often than not, finds its users committed to the insane asylum. Can Daniel crack the case and find the missing person before its too late?

Volume Two: *Dark Corners* Daniel Ransom, failed novelist and current private investigator, has had a bad week. After the shocking death of Nicole Faure, the one-time love of his life, Daniel reluctantly continues his investigation into the disappearance of Nicole's brother. Hes hoping for a quick and easy case, so that he can get out of France and never look back. What he finds instead is a small town swept up in a terrifying new religion, an oddball cab driver, an obese war criminal, and a significant number of people who want him dead. Just another day at the office.

Volume Three: *La Mort de Tous* Things just keep getting worse for private eye Daniel Ransom. After the death of his client and one-time lover led him to become embroiled in a terrifying new religious ceremony where pretty much everyone and everything wants him dead, he now has to try to stop a human sacrifice and get to the root of all of the evils that are befalling France in the wake of World War II. No simple task, indeed. What his investigation turns up, however, may be too much for even the most hard-boiled detective to withstand. Fans of John Locke, Russell Blake, and James Patterson

will love this quirky detective thriller series with clever characters and suspenseful settings. Praise for Ransom, P.I. I love a good crime drama but its even better when there is a hint of something more. Thats what I loved about this book and I want more from the author. I wasnt exactly sure what Id get when I picked up Ransom P.I. but I was more than pleased with my choice...The dialogue was great and the noir mood of the book really creates a great atmosphere.

Et les renforts arrivent encore Bon Åsa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åsa va Åsa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla lundi 1 aoÅt 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe Å l'infanterie. j'adore l'Åbarbage. Oui certains diront que Åsa fait parti du hobby mais c'est vraiment ce que je dÅteste le plus. Et puis lÅ c'est de l'industriel. PubliÅ par CdtK Å 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla vendredi 22 juillet 2016 Pour une poignÅe de trous en plus VoilÅ les plaquettes de 6cm ont ÅtÅ percÅ... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la mÅche. Mais voilÅ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin aoÅt-. Mais Å quoi Åsa correspond? Donc dire des trous c'est bien mais Åsa renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÅger Å lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÅÅu de ne pas avoir plus de soldats Å pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÅme table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu fait celle lÅ et autant en 8cm, Åsa va. Il faut voir ce que cela m'aurait coutÅ dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÅme un trÅs bon rapport qualitÅ-prix par rapport Å ce que je recherchais. Il le reste Å Åbarber les trous pour y glisser l'aimant et Åsa sera parfait je pourrais retourner Å mes figurines.
