

The Boy Knight (Historical Fiction for Teens: Illustrated Edition): A Tale of the Crusades

An exciting new Illustrated ebook from the folks at Beebliome Books! The Boy Knight: A Tale of the Crusades is the tale of a young man facing many trials in battle during the excitement of the Crusades. The hero of the story, Cuthbert, is a young Englishman who follows King Richard to the Holy Land. The Boy Knight is one of the more exciting Henty adventures, and any lover of Robin Hood will certainly enjoy this tale. Cuthbert's presence of mind and common sense, his loyalty, honesty, valor, and quick wits are all characteristics that make us and his comrades in the book admire and respect him. People learn by example, and the examples set by Henty's virtues of honesty, integrity, hard work, courage, diligence, perseverance, personal honor, and strong faith are unsurpassed. Here is the tale of a young man facing many trials in battle during the excitement of the Crusades. After hearing of the fall of the holy city of Jerusalem, King Richard the Lionheart decides to join the Third Crusade at the end of the twelfth century. This young Englishman follows King Richard to the Holy Land. The crusaders want to free the city from the clutches of the powerful Arab leader Saladin, who has conquered it. Cuthbert, a young follower of the Earl of Evesham, and his friend Cnut, join Richard in his quest. When it is time to return home to England, the hero must face a long and dangerous trip across Europe; they must deal with some vengeful Frenchmen, thwart a plot against the King's betrothed, escape pirate corsairs, survive a winter blizzard, and rescue the King! G.A. Henty was a prolific English novelist best known for his historical adventure stories that were popular in the late 19th century. Henty's heroes embody honesty, integrity, hard work, courage, diligence, perseverance, personal honor and strong Christian faith. Cuthbert embodies these characteristics perfectly. The Boy Knight features all of the classic elements of high

adventure: pirates, sultans, a princess and a king; all within a backdrop supporting the value of virtue.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de léger à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
