

## The Sly Fox Of The Mind

The Sly Fox is the book I will buy as gifts for my family and friends this year. It gives young girls the tools they need to build self-esteem with simple exercises that create awareness around negative feelings--and then teaches them how to set those feelings free. I hope this sparks a revolution in helping our kids understand they have the power within themselves to create their own happiness! -Esther Blum, bestselling author of *Eat, Drink, and Be Gorgeous* and *Cavewomen Dont Get Fat*

The Sly Fox offers a simple way to teach children about the power of mindfulness. In this sweet tale, little Shanty is given something even better than a loving mommy who can boost her confidence. This wise mother shows Shanty how to find that confidence within herself.

-Heather Gray, Life Coach at [SoulFilledLife.com](http://SoulFilledLife.com) and Co-author of the Award Winning *Real Girl Real World: A Guide for Finding Your True Self* I love the power of this story and how it reminds children of what they (and we all) know to be true at the core. This story brings a child back into their power and into their Divine knowing that they get to choose which thoughts to engage and in choosing their thoughts a limitless world - the world they are most meant to live in - is opened up to them. The illustrations are captivating and the story is engaging, a must-read for any family who desires to live life at a higher, more aligned with Source frequency.

-Heather Kristian Strang, Spiritual Author & Guide, [HeatherStrang.com](http://HeatherStrang.com)

The Sly Fox is a story about a girl named Shanty, who becomes upset by the mean things the kids at school say to her. Her mom introduces her to the Sly Fox which is the voice in our heads agrees with our critics and tries to stop us from being our light. With the help of her Mother, Shanty learns how to reclaim her power back from the Sly Fox and the bullies at school.

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅame si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla lundi 1 aoÅt 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe Å l'infanterie. j'adore l'Åbarbage. Oui certains diront que Åa fait parti du hobby mais c'est vraiment ce que je dÅteste le plus. Et puis lÅ c'est de l'industriel. PubliÅ par CdtK Å 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla vendredi 22 juillet 2016 Pour une poignÅe de trous en plus VoilÅ les plaquettes de 6cm ont ÅtÅ percÅ... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la mÅche. Mais voilÅ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin aoÅt-. Mais Å quoi Åa correspond? Donc dire des trous c'est bien mais Åa renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÅger Å lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÅÅu de ne pas avoir plus de soldats Å pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÅme table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu fait celle lÅ et autant en 8cm, Åa va. Il faut voir ce que cela m'aurait coutÅ dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÅme un trÅs bon rapport qualitÅ-prix par rapport Å ce que je recherchais. Il le reste Å Åbarber les trous pour y glisser l'aimant et Åa sera parfait je pourrais retourner Å mes figurines.
