Grab this book before you go to bed -- Prepare to stay up all night to finish it! A New Adult Florida Mystery with 48 four & five star reviews. They said the disappearance of two high school students over 25 years ago was a mystery that couldn't be solved. No one ever said it shouldn't be. Following the abrupt end of a relationship, college student Kimberly Bradford finds comfort in the friendship with her over-the-top neighbor, Mallory. And, Mallory encourages her to get back out there. She would of course if it weren't for the thrilling little love notes and gifts she's been receiving. Kim thinks they're from her ex-fiancee, not realizing he's been murdered. Worse, whoever is sending her all the extra attention is not only in her inner-circle, but has a connection to that unsolved murder some 25 years ago. That connection puts her life in danger, and exposes secrets better left buried around her closest friends and family. A Florida Mystery that readers are calling Absolutely Suspenseful with an ending you'll never see coming!

Q - So, what makes Prey of Desire special? A Prey of Desire is a fun read that is scary in some parts, nail-biting in others, and surprisingly funny when you least expect it. It's a murder mystery with a female protagonist that takes its heroine, college student Kimberly Bradford, on an emotional roller coaster ride. She's dealing with the break-up from her fiancee, who is now missing, to suspecting that someone is stalking her to ultimately realizing she has a connection to a murder that occurred some 25 years earlier. This Florida Mystery touches on all the senses and offers some humor in the mix too. ???

Q What type of mystery is Prey of Desire? A - First off, be under no illusions: this is an

edge-of-your-seat womens adventure, not a cozy mystery or detective story. Its about a college student who receives odd poems and notes from a stalker who she at first assumes are from her missing ex-fiancee. There is peril, violence, psychotic blind dates and a self-absorbed best friend youll love to hate. However, its never so over the top that readers with a squeamish stomach should be turned away, but it doesnt let you forget the fact that this is a thriller for a single minute. Ultimately, readers who enjoy a page-turner with a mystery that twists and turns all the way to the end will enjoy Prey of Desire. ??? Q Do I need to read one of your other books before I read Prey of Desire? A Not at all. Prey of Desire is a unique mystery with a plot and characters that have no connection to my previous books. However, all my books are set in Florida and Georgia. I like to call Prey of Desire a Florida Book Thriller. ??? Q - So, why should readers give these books a try? A Kimberly and Mallory come to life on the page in a way that, hopefully, sucks the reader into the story as if he or she is right there with the two best friends, experiencing everything theyre going through. Theres a mystery that unfolds, as the reader tries to figure out exactly who is stalking Kim, and what the connection is to the murder of two teenagers 25 years earlier. I love it when readers tell me, I didnt really take the book seriously at first, but I couldnt put it down. If youre like me, you enjoy reading a few pages before bed. Now my goal is to keep you up all night reading because you just have to know what happens next. My story lines are well thought out, and I put a lot of effort into writing an ending that isnt just surprising, but one the reader will never see coming.

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! photo pour montrer que je passe à l'infanterie. j'adore l'arc-barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je déteste le plus. Et puis là c'est de l'industriel. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'acier à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner à mes figurines.
