

Camilla

Experience this story of first love by A Wrinkle in Time author Madeleine L'Engle. This classic novel is now a major motion picture, *Camilla Dickinson*. Fifteen-year-old Camilla Dickinson has led a sheltered life on the Upper East Side with her architect father and stunningly beautiful mother. But this winter the security she has always known has vanished, because her parents marriage is coming apart - and Camilla is caught in the middle. She finds a way to escape her troubles when she meets Frank, her best friends brother, who is someone she can really talk to about life, death, God, and her dream of becoming an astronomer. When Frank introduces her to the important people in his life, who are so different from anyone she has met before, he opens her eyes to worlds beyond her own, almost as if he were a telescope helping her to see the stars. This novel, one of the authors earliest, is the story of a girl who, with the help of her first love, leaves childhood behind and enters adulthood with a newfound sense of self and inner strength.

Et les renforts arrivent encore Bon Ã sera la derniÃre revue de troupes de la semaine. Donc on arrive Ã 300 figurines il en reste donc 420... mais Ã va Ã avance bien. Je m'amuserais surtout sur les petites piÃces. LÃ c'est du monobloc donc mÃme si la ligne de moulage est visible -donc il faut Ãbarber presque tout le tour de la figurine... oui oui.- Comme Ã chaque dÃbut de dÃfi, je suis dans les temps, limite mieux qu'espÃrer. Mais par expÃrience je sais que c'est le creux du dÃfi qui m'est fatal donc on verra quand j'aurais tout ÃbarbÃ :) PubliÃ par CdtK Ã 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÃs : Blabla lundi 1 aoÃt 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe Ã l'infanterie. j'adore l'Ãbarbage. Oui certains diront que Ã fait parti du hobby mais c'est vraiment ce que je dÃteste le plus. Et puis lÃ c'est de l'industriel. PubliÃ par CdtK Ã 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÃs : Blabla vendredi 22 juillet 2016 Pour une poignÃe de trous en plus VoilÃ les plaquettes de 6cm ont ÃtÃ percÃ... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la mÃche. Mais voilÃ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin aoÃt-. Mais Ã quoi Ã correspond? Donc dire des trous c'est bien mais Ã renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÃger Ã lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÃÃ de ne pas avoir plus de soldats Ã pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÃme table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu faire celle lÃ et autant en 8cm, Ã va. Il faut voir ce que cela m'aurait coutÃ dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÃme un trÃs bon rapport qualitÃ-prix par rapport Ã ce que je recherchais. Il le reste Ã Ãbarber les trous pour y glisser l'aimant et Ã sera parfait je pourrais retourner Ã mes figurines. PubliÃ par CdtK Ã 09:52 2
