

Angel of Death

Fear the Reaper. The angel of death in Chicago oversees all people in the megalopolis, making sure their deaths fit their lives. Though most deaths naturally do, those that result from serial murder do not, so the angel spends much time trailing a serial killer in his patch. On the trail of one such man, he encounters a cop and falls in love with her. When he is assigned to kill her, though, he has to make a choice between divinity and humanity. An astounding story from the critically-acclaimed J Robert King. --- Angel of Death is a very powerful novel, dealing intrinsically with life and death and the ugly side of murder. These subjects are handled very well, albeit without pulling any punches in the graphic descriptions. This novel sucks you inside the mind of a serial killer, as close as you ever really want to get to one. A very impressive, powerful story that grabs you, sucks you in, throws you around and dumps you out, dazed but richer for the ride. 4**** SFBook.com Its quirky, its different and its definitely a novel to make you think. Not something to rush and will remain in the readers subconscious long after the final page. - Falcata Times Angel of Death had me turning the pages with a sense of terrified fascination. This is the first of Kings books that I've encountered, and his strong prose and stark characterizations have me firmly hooked and looking for more of his work. Angel of Death will take you into the darkest corners of the human mind and heart plus have you struggling to define what separates humans from monsters. - Examiner.com

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla lundi 1 aoÅt 2016 Revue des troupes Bon juste une petite

photo pour montrer que je passe à l'infanterie. j'adore l'arc-barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je déteste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'acier à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner à mes figurines.
