

4 Nicholas Colt Novels

Four complete Nicholas Colt novels together in one volume! This heavily-discounted box set includes: **Crosscut** Snuff Tag 9 Key Death Blood Tattoo About Crosscut Nicholas Colt Former rock star, private investigator on hiatus. He has a loving relationship with his wife, a blues band with a house gig, and an adopted daughter finishing her senior year in high school. He has no intention of reactivating his PI license anytime soon. Until An old girlfriend tells him something that makes his heart pause and his jaw drop. Could the militia group Colt shut down three years ago be responsible for a double homicide in another state? A race against time Colt soon learns that the murders are only the tip of an unimaginably atrocious iceberg. Caught in a nightmare that is bigger, badder, and literally more earth-shattering than he could have possibly anticipated, Colt must find a way to derail the heinous and seemingly unstoppable machinations of a madman before its too late. About Snuff Tag 9 Nicholas Colt World-class guitarist with a crushed hand, private investigator with a revoked license. Trying to get by now as a security consultant, he takes the case of an affluent young accountant who has received a threatening lettera mandate to drive out to the swamp and play a popular videogame called Snuff Tag 9. A psychotic billionaire With a voracious appetite for all things horrible, the man who calls himself Freeze is compelled to serve up increasingly higher doses of carnage for himself and his friends. The Game Extreme, intense, and shockingly violent. Especially when populated with real people. About Key Death Nicholas Colt World-class guitarist with a crushed hand, private investigator with a revoked license. He has a kid in college, a wife working two jobs, and a security consultant gig that has gone dry. A friend of a friend Wanda Taylor wants to meet her biological

father for the first time. Happy to have the work, Colt soon discovers that the man he's looking for was shot dead two years ago in his Key West apartment. Now Wanda wants Colt to investigate the murder. Determined to see justice served, she offers to send him down there for as long as it takes. A serial killer. They call him The Zombie. They call him that for a reason. As the horrible truth unfolds, Nicholas Colt is forced to confront one of his greatest fears. And try to make it off the island in one piece. About Blood Tattoo Nicholas Colt World-class guitarist with a crushed hand, private investigator with a revoked license. Currently settling into a nice quiet life of teaching music and spending time with his family. Or so he thinks. Diana Dawkins Operative with the ultra-clandestine federal agency called The Circle. Smart, beautiful, deadly. She needs Colt's help, and she's willing to pay him well for it. The bad guys Conspirators, traitors, assassins. Well-equipped and organized, they will stop at nothing to get what they want. And what they want will affect the lives of millions. Will Nicholas Colt and Diana Dawkins be able to stop them in time?

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut à barber presque tout le tour de la figurine... oui oui.- Comme à chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout à barber :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'âge lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner à mes figurines.
