

Shadows Behind A Screen (Tom Jones Thriller) (Volume 2)

The computer as a murder weapon, mused Tom. When a baby boy dies from what should have been a treatable illness after someone deliberately tampers with his test results in the hospital computer, there is no shortage of suspects: his father, hospital scientist Harry Benedict, has made plenty of enemies through his inveterate womanising. But would any of them really have stooped so low as to try to hurt him through his son? Department of Health inspector Tom Jones finds himself with another mystery to solve when he arrives on the scene to investigate. And the killings don't end with the baby boys. The plot roars into action. Oxford Mail. What [Tom Jones] reveals may mean you will never [again] trust a computer and will watch with much greater care the folk who use [them] with such aplomb. Alex Auswaks, Jerusalem Post Magazine. Puckett, who has worked in several hospitals, depicts the medical world's social hierarchies, struggling residents and in-house rivalries with authentic realism. Publishers Weekly

Et les renforts arrivent encore. Bon, ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va, ça avance bien. Je m'amuserais surtout sur les petites pièces. Là, c'est du monobloc donc même si la ligne de moulage est visible -donc il faut à barber presque tout le tour de la figurine... oui oui.- Comme à chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout à barber :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes. Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'à barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là, c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus. Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'âge lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner à mes figurines.
