

Galaxy Pizza and Meteor Pie: And Other School Poems That Are Out of This World!

Welcome to Darren Sardellis world of Laugh-A-Lot Poetry! In Galaxy Pizza and Meteor Pie, youll run into a teacher who mixes up her words, one who gives detention to water fountains and bus tires, and one who forgets how to act around students. Youll meet unusual lunch ladies who serve Candy Cane Craters, Milky Way Shakes, and fresh Corn on the Comet. Theres also a dog that enjoys doing chores, a parent who gets out of hand at a parent-teacher conference, and a principal who lets kids take over the school on Opposite Day. Pam Catapano brings each poem to life with her colorful characters, brilliant imagination, and delightful illustrations. Darren and Pam have teamed up to make reading fun and enjoyable for even the most reluctant of readers. They are proud of their work and are happy to share Galaxy Pizza and Meteor Pie with the universe. Author Bio: Award winning poet, motivational speaker, and childrens book author, Darren Sardelli, makes poetry fun and exciting for everyone. His poems are featured in 13 childrens books in the U.S. and England, and 8 textbooks in The Netherlands, Germany, Spain, Israel, and India. He chooses topics that children relate to and understands how to get them excited about poetry. Since 2004, Darren has visited more than 350 elementary and middle schools (in 7 states). His program, The Funniest Poet in School, has become a Top 10 School Program on Long Island. Besides doing programs at schools, Darren has an amazing poetry program for libraries and camps. He tends to become a crowd favorite wherever he goes. Et les renforts arrivent encore

Bon Ã sera la derniÃre revue de troupes de la semaine. Donc on arrive Ã 300

figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'âge lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner à mes figurines.
