

Summer Walsh Mystery Series (3 complete cozy mystery novellas)

MURDER UNDER THE MISTLETOE When former Nashville police detective Summer Walsh visits her favorite B&B in Charleston, South Carolina, during the Christmas Holidays, she discovers the innkeepers dead body. What shed hoped would be a relaxing holiday between jobs turns into a stressful and often frustrating experience with another innkeeper who didnt like the victim, a man who toys with elderly womens emotions, an ex-con who will do anything for money, and a very disloyal housekeeper. Former Nashville police officer Summer Walsh is the quintessential southern lady who embodies kindness, courtesy, and ladylike toughness. She wants whats best for everyone, and shell do whatever it takes to get it.

GUN IN THE GARDEN Summer Walsh will do anything to avoid going back into law enforcement, so when she has an opportunity to leave Nashville and run a day care center in Atlanta, she grabs it. To her parents chagrin, she stumbles on another dead body and cant resist the urge to get involved. Over the next several days, Summer encounters several suspects including a man who has threatened to take down the victims tree that drops fruit into his yard, a nosy neighbor, a man who will stop at nothing to get her car, and the garden club president who thinks the victim is pond scum. Former Nashville police officer Summer Walsh is the quintessential southern lady who embodies kindness, courtesy, and ladylike toughness. She wants whats best for everyone, and shell do whatever it takes to get it.

OFFED AT THE OFFICE Summer Walsh has barely gotten into her new temp job when she is called back to Atlanta to help figure out who murdered the owner of a daycare center. Not one to say no when someone needs her, she drops everything and goes. Its not easy to weed through suspects that range from a gold-digging, estranged wife and money-grubbing brother to a bunch of

daycare workers who each had their own bone to pick with the victim. Former Nashville police officer Summer Walsh is the quintessential southern lady who embodies kindness, courtesy, and ladylike toughness. She wants what's best for everyone, and she'll do whatever it takes to get it.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'âge lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
