

Project Peep (The Friendship Garden)

Anna and her community gardening friends spring into action to help raise baby chicks in the third book in the Friendship Garden series. When Anna moved to Chicago, Kaya became her first real friend, so for her birthday Anna is determined to give Kaya the best present ever! The problem is, the thing Kaya wants more than anything is a pet, but her parents have a strict no-pets rule. Then Anna remembers that Mr. Hoffmans third-grade class just hatched baby chicks! Anna decides that rather than sending the chicks back to the farm, she'll convince her teacher to let the Friendship Garden raise them, so Kaya can have a pet of her own. But raising chicks is no easy task. It requires supplies (that cost money) and building things like a coop and a run. How is Anna supposed to get everything ready and keep it a surprise especially when Anna and Kaya usually hang out every day? Kaya begins to suspect fowl play and assumes Anna is ditching her as a friend! Anna feels terrible and what was supposed to be the best birthday present ever quickly turns into the worst one. Will Anna be able to come up with a way to win her best friend back before the chicks get sent back to the farm for good?

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme à chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de léger à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça

va. Il faut voir ce que cela m'aurait couté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à acheter les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
