

Let Her Lead: Creating a Better Future for Women in the Church

Let her be her. And let her be heard. For Pastor Brady Boyd, these are the two main wishes for his young daughter and the world she will encounter as a woman. In *Let Her Lead*, Boyd calls on the church and the wider world to let women be who they are and speak their voice with confidence and conviction. The question of women in leadership remains touchy for many people, especially church people. In this brief and engaging book, Boyd defuses the tension by offering a fresh, practical, and biblical perspective and revealing the leadership roles women play at New Life Church in Colorado Springs. Through it all, Boyd imagines a bright future that could be awaiting his daughter and what she may be invited to do. And he shows all of us men and women alike the roles we can play to create that better reality. I am so gratified to know my friend, Brady Boyd, is standing with those in the larger church community who see women in ministry leadership as timelessly intended by God and thus wholly consistent with the Holy Scriptures both Old and New Testament. I urge leaders and other workers in today's church to read, be nourished, and join in seeing the whole Body of Christ activated for ministry. Jack W. Hayford, Chancellor, The Kings University Dallas/Los Angeles

In this landmark book, Brady Boyd expresses what Dr. Paul Yonggi Cho learned many years ago when 47,000 of his 50,000 cell leaders were women. His elders refused to help him when his health had broken, but his women (who excel at nurturing) rose up and built the largest church in the history of the world. Let's release this mighty multitude: The Lord gives the Word; the women who announce the news are a great host! (Ps. 68: 11, ESV). Larry Stockstill, Pastor, Bethany Church

I've walked the halls of Brady's offices hearing his female staff members rave about how he lets them lead. I've also walked the halls of corporate America, wishing for more men like Brady

who would let women lead. This small book is big on wisdom for the church and the marketplace. Lynette Lewis, Speaker, Business Consultant, Author of *Climbing the Ladder in Stilettos* I am really glad that my friend Brady Boyd decided to write this book! So many books that deal with controversial topics try to score points or win a debate, but that isn't what Brady does here. He simply wants to see what the Bible says about women in leadership. He deals with this very sensitive issue with understanding and love. What he finds is so encouraging this is a book that everyone should read. Greg Surratt, Lead Pastor, Seacoast Church; Author of *Ir-Rev-Rend* The role of women in the church has long been a confusing and hotly debated subject. In *Let Her Lead*, Brady Boyd passionately tackles this subject with both delicacy and insightful truth as he shares stories from Scripture and his own life. He takes an in-depth look at what God's Word has to say about women in leadership and skillfully applies it to our lives and culture today. You'll be challenged and inspired as you look at leadership from a whole new perspective. Robert Morris, Senior Pastor, Gateway Church; Best-selling author of *The Blessed Life*, *From Dream to Destiny*, *The God I Never Knew* and *The Blessed Church* *Let Her Lead* is a long-overdue book that deals with an issue that has haunted the church for centuries. It's time for the church to get it right as it relates to a woman's role in marriage, the church and society. As this book heals wounds in the hearts of women, it will bring understanding to the minds of men. Jimmy Evans, Founder and co-host, *Marriage Today*; Senior Elder, Trinity Fellowship Brady Boyd delivers a refreshing and uplifting take on the role of women in ministry. His words are expressed with such common sense and compassion that it begs the question of why such gender issues exist in the first place. Through scripture, personal experience, and rational consideration, *Let Her Lead* paints the picture of the

competent, insightful woman in the professional world. Women of God have such great influence over the direction their church takes and the lives of its members, and this book will make it clear once and for all just how crucial is the role women play in the modern church. Whether her calling is to raise a family or to make crucial executive decisions, this enlightening read will inspire the women of the church to embrace their talents and use them to value any ministry, whatever those talents may be. Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Mais voilÅ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin aoÅt-. Mais Å quoi Åa correspond? Donc dire des trous c'est bien mais Åa renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÅger Å lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÅÅu de ne pas avoir plus de soldats Å pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÅme table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu fait celle lÅ et autant en 8cm, Åa va. Il faut voir ce que cela m'aurait coutÅ dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÅme un trÅs bon rapport qualitÅ-prix par rapport Å ce que je recherchais. Il le reste Å Åbarber les trous pour y glisser l'aimant et Åa sera parfait je pourrais retourner Å mes figurines.
