

Jesus: Is He the Messiah of Israel?: Who will Declare His Generation? A Dialogue Based on the Tanakh, Talmud, and Targumim; the Dead Sea Scrolls; and the New Testament

Jesus: Is He Israel's Messiah? Indeed he is! This book seeks to give evidence for Jesus being the Messiah of Israel and the world by drawing on various sources ranging from certain ideas observed in the Dead Sea Scrolls produced by the Qumran community, including illuminating certain writings concerning Messiah generated by ancient rabbis. The author also seeks to establish many prophecies fulfilled by Christ as spoken of in the Tanakh (Old Testament) and gives a strong case for miracles and the resurrection of Jesus. An exposition of selected parables taught by Jesus at the end of this book will reveal that the very claims he made about himself came from no other than Messiah-authenticated by his own ministry of miracles, fulfilled prophesy, performing resurrections including his own literal and physical rising from the dead. Keehus has produced an excellent work on the issue of messianic prophecy in which he not only provides evidence of how the messianic prophecies of the Hebrew Bible were fulfilled by Yeshua in the New Testament, but he also adds evidence from different forms of rabbinic writings to further substantiate the case. Furthermore, rather than a straight presentation, the book is put together in the form of dialogue, which makes it easy to read and to follow the logical argumentation. This book is highly recommended. --Arnold G. Fruchtenbaum Founder & Director Ariel Ministries This book covers numerous supernatural predictions made hundreds of years in advance that were fulfilled by Jesus the Messiah. In light of its apologetic value, it makes a worthwhile read, especially for seekers and young Christians. I highly recommend it. --Norman Geisler Professor of Apologetics Veritas Evangelical Seminary I highly recommend this book as a concise primer for the predictive prophecies of Christ in the Old Testament. These prophecies prove that Jesus is the

divine Messiah, and also provide powerful apologetic evidence that the Bible indeed is the Word of God. --Ron Rhodes Professor of Theology Dallas Theological Seminary
Jesus: Is He Israel's Messiah? provides a fresh look at the Messianic claims of Yeshua of Nazareth. Nick Keehus draws on Rabbinic and other resources in a manner that makes it accessible to a young reader today--especially Jewish Israeli. --Erez Soref President Israel College of the Bible
Magnus N. Keehus, a graduate of Calvary Chapel School of Ministry, and former Associate Pastor, has also completed graduate studies in apologetics and theology at Veritas Evangelical Seminary and Simon Greenleaf University. He is the host and producer of three documentaries filmed in Israel: Jesus and Evidence for His Resurrection; The Dead Sea Scrolls, Jesus, and Messianism, and Jesus and Fulfilled Prophecy.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont percé... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'ger à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner à mes figurines.
