

South Africa (Taking Your Camera To...)

Book by Park, Ted

Et les renforts arrivent encore Bon À¸a sera la derni¸re revue de troupes de la semaine. Donc on arrive À 300 figurines il en reste donc 420... mais À¸a va À¸a avance bien. Je m'amuserais surtout sur les petites pi¸ces. L¸ c'est du monobloc donc m¸ame si la ligne de moulage est visible -donc il faut À¸barber presque tout le tour de la figurine... oui oui.- Comme À¸ chaque d¸but de d¸fi, je suis dans les temps, limite mieux qu'esp¸rer. Mais par exp¸rience je sais que c'est le creux du d¸fi qui m'est fatal donc on verra quand j'aurais tout À¸barb¸ :) Publi¸ par CdtK À 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libell¸s : Blabla lundi 1 ao¸t 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe À l'infanterie. j'adore l'À¸barbage. Oui certains diront que À¸a fait parti du hobby mais c'est vraiment ce que je d¸teste le plus. Et puis l¸ c'est de l'industriel. Publi¸ par CdtK À 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libell¸s : Blabla vendredi 22 juillet 2016 Pour une poign¸e de trous en plus Voil¸ les plaquettes de 6cm ont À¸t¸ perc¸... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la m¸che. Mais voil¸ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin ao¸t-. Mais À quoi À¸a correspond? Donc dire des trous c'est bien mais À¸a renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l¸ger À lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis d¸¸u de ne pas avoir plus de soldats À pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la m¸me table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu fait celle l¸ et autant en 8cm, À¸a va. Il faut voir ce que cela m'aurait cout¸ dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand m¸me un tr¸s bon rapport qualit¸-prix par rapport À ce que je recherchais. Il le reste À À¸barber les trous pour y glisser l'aimant et À¸a sera parfait je pourrais retourner À mes figurines.
