

Sight Unseen (Kendra Michaels)

She was safe in a world of darkness. Now danger threatens in the cold light of day. Before the experimental surgery that gave her sight, Kendra Michaels developed her other senses to an amazing capacity. Now she can identify a Nissan by the sound of its engine, a Norelco electric razor by the pattern of stubble it leaves behind, or an obscure colorless fire accelerant by its sweet smell. Law enforcement agencies clamor for her rare powers of perception and observation, too often disrupting the life she has built helping others through music therapy. Because so very often, only Kendra can get the job done. But in this case, it's Kendra who first realizes that the apparent traffic accident on San Diego's historic Cabrillo Bridge is in fact a murder scene, and she rushes to alert the police before crucial evidence is destroyed. As the body count rises and one murder unveils another, a gruesome pattern emerges. Someone is killing people in ways that mirror Kendra's most notorious cases. She has a fan: someone who admires her work and is twisted enough to show that admiration through murder--while naming himself after the biggest art forger of the 20th century. He views himself not as a monster but as an artist. And he is not working alone. In Iris Johansen's *Sight Unseen*, as the darkness closes in, near enough to touch Kendra and those she loves, Kendra must come face to face with her greatest fears--and her most ruthless enemy. A man who moves through the shadows, a man she may even know, who hides behind the mask of sanity, sight unseen.

Et les renforts arrivent encore Bon Åsa sera la dernière revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åsa va Åsa avance bien. Je m'amuserais surtout sur les petites pièces. LÅ c'est du monobloc donc même si la ligne de moulage est visible -donc il faut Å barber presque tout le tour de la figurine... oui oui.- Comme Å chaque Åbut de Åfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du Åfi qui m'est fatal donc on verra quand j'aurais tout Å barbÅ© :) PubliÅ© par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅ©s : Blabla lundi 1 aoÅt 2016 Revue des troupes Bon juste une petite

photo pour montrer que je passe à l'infanterie. j'adore l'art barbare. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je déteste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'âge lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner à mes figurines.
