

A Gift from Childhood: Memories of an African Boyhood

Baba Wague is only four years old when he is sent to the tiny Malian village of Kassar, West Africa, to be raised by his paternal grandparents, according to the family tradition. He is most unhappy about this at first, but under his grandmothers patient and wise tutelage, he comes to love his close-knit village community, as he listens to his grandmothers stories, learns about his own history and traditions, and experiences many hilarious and sobering adventures along the way. He learns how to catch a catfish with his bare hands, learns the true meaning of the appearance of a snake in the granary, flees from an army of bees and mistakes a hungry albino cobra snake for a pink inner tube. And he survives, with trepidation and pride, his circumcision a ceremony that brings together the entire village. Finally, Grandma Sabou decides that Baba is educated enough to go to school, and he moves back to the city, where his family struggles to provide him with a formal education. But he brings his village stories with him, and in the process of sharing them with his neighborhood, he not only uncovers his immense artistic and storytelling talents, but eventually finds his way to America, where he embarks on a new life as a writer and artist. Diakites engaging storytelling style and bright, bold illustrations make this a beautiful gift book and a wonderful tribute to Malian village life.

Et les renforts arrivent encore Bon Åsa sera la dernière revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åsa va Åsa avance bien. Je m'amuserais surtout sur les petites pièces. LÅ c'est du monobloc donc même si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expérience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe Å l'infanterie. j'adore l'Åbarbage. Oui certains diront que Åsa fait parti du hobby mais c'est vraiment ce que je dÅteste le plus. Et puis lÅ c'est de l'industriel. PubliÅ par CdtK Å 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus VoilÅ les

plaquettes de 6cm ont Ã©tÃ© percÃ©es... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la mÃ©che. Mais voilÃ© pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin aoÃ»t-. Mais Ã© quoi Ã©sa correspond? Donc dire des trous c'est bien mais Ã©sa renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'Ã©ger Ã© lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis d'Ã©su de ne pas avoir plus de soldats Ã© pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÃ©me table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu faire celle lÃ© et autant en 8cm, Ã©sa va. Il faut voir ce que cela m'aurait coutÃ© dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÃ©me un trÃ©s bon rapport qualitÃ©-prix par rapport Ã© ce que je recherchais. Il le reste Ã© Ã©barber les trous pour y glisser l'aimant et Ã©sa sera parfait je pourrais retourner Ã© mes figurines.
