

CURSE of the DIAMONDS (Another Ladybird thriller...)

Published by CUSTOM BOOK PUBLICATIONS *****Lady Penelope Winton removed the elegant box, carefully unrolled the jewellers flannel and touched the glowing necklace. It looked almost alive, she thought, her excitement rising. I shall be the belle of the ball one last time. She took the necklace and placed it around her neck such that she could still close the catch. She centred the White Star of Africa into the cleft of her breasts, adjusting the three strands until they lay perfectly, marvelling at the increased effect. She sat quietly at her dressing table, almost as though in a trance. Her eyes stared unseeingly into the ornate, gold-framed mirror. A shadow appeared to dull the reflection, moving slowly until it encompassed her completely. A tiny smile parted her lips. The fabulous necklace again sparkled under the flickering lights of the chandelier in the centre of her room and the two shaded lamps, one each side of the marble top. Thousands of dancing fires in every hue and tone blazed from the uncounted facets of the six hundred diamonds. The ring of stones surrounding and the centrepiece diamond flashed around her, alive with the colours and refracted lights of the rainbow. Her maid knocked softly. When there was no reply she entered quietly. Mesmerised, she hesitated before asking, Do you require any assistance with the necklace, my lady? With no answer, she touched her employer lightly on the shoulder. The shadow seemingly encasing her, disappeared. The maid screamed. Lady Winton was dead. The Curse of the Diamonds!

Et les renforts arrivent encore Bon Ã sera la derniÃre revue de troupes de la semaine. Donc on arrive Ã 300 figurines il en reste donc 420... mais Ã va Ã avance bien. Je m'amuserais surtout sur les petites piÃces. LÃ c'est du monobloc donc mÃme si la ligne de moulage est visible -donc il faut Ãbarber presque tout le tour de la figurine... oui oui.- Comme Ã chaque dÃbut de dÃfi, je suis dans les temps, limite mieux qu'espÃrer. Mais par expÃrience je sais que c'est le creux du dÃfi qui m'est fatal donc on verra quand j'aurais tout ÃbarbÃ :) PubliÃ par CdtK Ã 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÃs : Blabla lundi 1 aoÃt 2016 Revue des troupes Bon juste une petite

photo pour montrer que je passe à l'infanterie. j'adore l'À©barbage. Oui certains diront que À§a fait parti du hobby mais c'est vraiment ce que je d'À©teste le plus. Et puis l'À c'est de l'industriel. Publi'À© par CdtK À 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libell'À©s : Blabla vendredi 22 juillet 2016 Pour une poign'À©e de trous en plus Voil'À les plaquettes de 6cm ont 'À©t'À© perc'À©... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la m'À che. Mais voil'À pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin a'À»t-. Mais 'À quoi 'À§a correspond? Donc dire des trous c'est bien mais 'À§a renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'À©ger 'À lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis d'À©'À§u de ne pas avoir plus de soldats 'À pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la m'À me table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu fait celle l'À et autant en 8cm, 'À§a va. Il faut voir ce que cela m'aurait cout'À© dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand m'À me un tr'À s bon rapport qualit'À©-prix par rapport 'À ce que je recherchais. Il le reste 'À 'À©barber les trous pour y glisser l'aimant et 'À§a sera parfait je pourrais retourner 'À mes figurines.
