

She Shoots to Conquer: An Ellie Haskell Mystery

Ellie Haskell, the beloved heroine of *The Thin Woman*, is stuck on a reality TV set. And, as the thoroughly entertaining series (*Cosmopolitan*) from Agatha Award nominee Dorothy Cannell continues, this cast is dying for their fifteen minutes. A dark foggy night. A big spooky mansion. And a reality TV dating show? Its not exactly the scene Ellie Haskell expects to find while stranded near the Yorkshire moors with her husband, Ben, and their plucky housekeeper, Mrs. Malloy who promptly signs up as a contestant when she learns that the bachelorettes are competing for the affections of Lord Belfry himself. Then again, maybe Ellie shouldnt be so surprised. Some women would kill to marry a lord . . . perhaps literally. Even before the shooting starts, one would-be bride is knocked out of the game by a fatal car wreck. Then another is struck by Cupids arrow in an archery event. Ellie is beginning to suspect that murder is a grim inevitability on this doomed production. Somewhere in the dark passageways and hidden nooks of Mucklesfeld Manor, another life is about to be canceled but Ellie will do anything to ensure that she and her friends make it back to reality unscathed. Praise for *She Shoots to Conquer* Hilarious and always engaging sleuth Ellie Haskell is back! Always a good thing for the health of British cozies. Booklist A delight . . . A satire on the gothic suspense novel, *She Shoots to Conquer* is also an engaging mystery, as the deft and talented Cannell proves again that hilarity and horror can meet. Kirkus Reviews Praise for Dorothy Cannell and the Ellie Haskell series It is the absurd predicaments of her central characters that readers find themselves recalling, and Cannell is cunning at devising outlandish situations for them. Chicago Sun-Times Cannell is a master of subtle wit and humorous asides that lift her cozies to great heights. Before the influx of writers trying to out-humor

Janet Evanovich, there was Dorothy Cannell. Long may she write!Library Journal

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla lundi 1 aoÅt 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe Å l'infanterie. j'adore l'Åbarbage. Oui certains diront que Åa fait parti du hobby mais c'est vraiment ce que je dÅteste le plus. Et puis lÅ c'est de l'industriel. PubliÅ par CdtK Å 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla vendredi 22 juillet 2016 Pour une poignÅe de trous en plus VoilÅ les plaquettes de 6cm ont ÅtÅ percÅ... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la mÅche. Mais voilÅ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin aoÅt-. Mais Å quoi Åa correspond? Donc dire des trous c'est bien mais Åa renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÅger Å lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÅÅu de ne pas avoir plus de soldats Å pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÅme table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu fait celle lÅ et autant en 8cm, Åa va. Il faut voir ce que cela m'aurait coutÅ dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÅme un trÅs bon rapport qualitÅ-prix par rapport Å ce que je recherchais. Il le reste Å Åbarber les trous pour y glisser l'aimant et Åa sera parfait je pourrais retourner Å mes figurines.
