

## Organic Chemistry

Organized with a traditional functional group approach, this text provides a user-friendly and pedagogy-rich introduction to organic chemistry with a strong emphasis on developing problem-solving skills. The third edition strengthens the text's emphasis on problem-solving with new student pedagogy and an increased number of problems throughout. It is appropriate for full year sequence in organic chemistry taken primarily by Science and Pre-Health students.

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅame si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla lundi 1 aoÅt 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe Å l'infanterie. j'adore l'Åbarbage. Oui certains diront que Åa fait parti du hobby mais c'est vraiment ce que je dÅteste le plus. Et puis lÅ c'est de l'industriel. PubliÅ par CdtK Å 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla vendredi 22 juillet 2016 Pour une poignÅe de trous en plus VoilÅ les plaquettes de 6cm ont ÅtÅ percÅ... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la mÅche. Mais voilÅ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin aoÅt-. Mais Å quoi Åa correspond? Donc dire des trous c'est bien mais Åa renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÅger Å lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÅÅu de ne pas avoir plus de soldats Å pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÅame table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu fait celle lÅ et autant en 8cm, Åa va. Il faut voir ce que cela m'aurait coutÅ dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÅame un trÅs bon rapport qualitÅ-prix par rapport Å ce que je recherchais. Il le reste Å Åbarber les trous pour y glisser l'aimant et Åa sera parfait je pourrais retourner Å mes figurines.
