

## Poetry Speaks to Children (Book & CD) (A Poetry Speaks Experience)

New York Times Bestseller! In the tradition of Poetry Speaks, the anthology named a Best Book of 2002 by School Library Journal, and praised by the Seattle Post-Intelligencer as a volume to delight longtime lovers of poetry and to spark new love for poetry, especially among the young, Sourcebooks MediaFusion is proud to introduce the joy of the written and spoken word in Poetry Speaks to Children. Parents, educators, librarians, and poetry enthusiasts have wondered for years how to get children really interested in poetry. Until now, there hasn't been a collection of poems and poets that spoke directly to that elusive audience. Poetry Speaks to Children cracks through that barrier by packaging the best poems by the best authors along with a CD-making the engrossing and often mischievous verses come alive in the voices of many of the creators. Poetry Speaks to Children reaches into the world of poetry and pulls out the elements children love: rhyme, rhythm, fun and, every once in a while, a little mischief. More than 90 poems, for children ages six and up, celebrate the written word and feature a star-studded lineup of beloved poets, including: Roald Dahl; J. R. R. Tolkien; Robert Frost; Gwendolyn Brooks; Ogden Nash; John Ciardi; Langston Hughes; Sonia Sanchez; Seamus Heaney; Canada's best-loved children's poet, Dennis Lee; Rita Dove; Billy Collins; Nikki Giovanni and X. J. Kennedy. On the accompanying CD, 50 of the poems are brought to life--most read by the poets themselves--allow the reader to hear the words as the poets intended. Hear Gwendolyn Brooks growl her rhyming verse poem *The Tiger Who Wore White Gloves*, or, *What You Are You Are* with verve and inflection--relaying the story of the striped cat who rushed to the jungle fair for something fine to wear, much to the hoots of his jungle peers. Amid jeers, sneers and sighs, the tiger eventually learns

to be comfortable in his own striped skin (or fur as it were!). Follow Ogden Nash as he tells of the brave little Isabel, who didn't worry, didn't scream or scurry when confronted with a ravenous bear, a one-eyed giant or a troublesome doctor. Her clever solutions to problems (She turned the witch into milk and drank her) will keep even the most reluctant readers interested. Listen to James Berry, who quells a little girl's anxieties about her color by celebrating the marriage of night and light, emphasizing how all colors are necessary in nature, in *Okay, Brown Girl, Okay*. Turn the page and tune in . . . kids won't be the only ones hooked!

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla lundi 1 aoÅt 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe Å l'infanterie. j'adore l'Åbarbage. Oui certains diront que Åa fait parti du hobby mais c'est vraiment ce que je dÅteste le plus. Et puis lÅ c'est de l'industriel. PubliÅ par CdtK Å 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla vendredi 22 juillet 2016 Pour une poignÅe de trous en plus VoilÅ les plaquettes de 6cm ont ÅtÅ percÅ... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la mÅche. Mais voilÅ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin aoÅt-. Mais Å quoi Åa correspond? Donc dire des trous c'est bien mais Åa renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÅger Å lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÅÅu de ne pas avoir plus de soldats Å pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÅme table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu fait celle lÅ et autant en 8cm, Åa va. Il faut voir ce que cela m'aurait coutÅ dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÅme un trÅs bon rapport qualitÅ-prix par rapport Å ce que je recherchais. Il le reste Å Åbarber les trous pour y glisser l'aimant et Åa sera parfait je pourrais retourner Å mes figurines.
