

Artifact of Evil

When his ranch hands newborn son is abducted from the hospital's maternity ward and found dead hours later in a trash dumpster, former FBI agent and West Texan Rusty Red River resolves to bring the perpetrators to justice. Investigation reveals that a string of similar child abduction/murders previously occurred in Texas towns between Limestone and the Mexican border. They all have one peculiar signature in common—the babies' heads are marked with the Arabic equivalent to the letter L. River contacts his former girlfriend, a Jewish historian, to help solve the mystery. Together they uncover a bizarre plot that stretches from war-torn Iraq to Israel, Mexico, Texas, and finally Chicago. Even stranger is the catalyst for the wickedness. A mysterious, prehistoric relic is in the possession of the killers—a talisman that has been passed down through the centuries. Saddam Hussein had it. Adolf Hitler had it. Attila the Hun once owned it. It even belonged to Judas. What exactly is the artifact of evil? From international best-selling author Raymond Benson (The Black Stiletto series, continuation James Bond novels, and more), comes a nail-biting tale that is part historical thriller, part contemporary crime story, and part private-investigator adventure. *Artifact of Evil* is guaranteed to keep you awake at night!

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme à chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore le barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais

fin aoÃ»t-. Mais Ã quoi Ãsa correspond? Donc dire des trous c'est bien mais Ãsa renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÃ©ger Ã lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÃ©Ã§u de ne pas avoir plus de soldats Ã pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÃame table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu faire celle lÃ et autant en 8cm, Ãsa va. Il faut voir ce que cela m'aurait coutÃ© dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÃame un trÃs bon rapport qualitÃ©-prix par rapport Ã ce que je recherchais. Il le reste Ã Ãbarber les trous pour y glisser l'aimant et Ãsa sera parfait je pourrais retourner Ã mes figurines.
