

The Adventures of Gabriel Celtic: A Collection

Starting with the first book, you will get sucked into the Adventures of Gabriel Celtic thriller/mystery series, where Gabe has to trust his intuition and sometimes even the added help of mysterious visions to get down to the bottom of the mystery. In *Murder! Too Close To Home*, Gabriel is confronted by a series of murders unlike anything he has ever encountered before. A mysterious card dropped at the scene of each murder points to someone that calls himself the Ghost as the doer. Little does Gabriel know that the Ghost has someone controlling him, and the reasons for her murderous spree will topple all of his theories and cost him the ultimate sacrifice! In *Gabriel's Revenge*, Gabe is hiding from the world as he marks his days on an archaeological dig in South America until the death of his friend back home draws him back to the states. Meeting a mysterious woman on the flight back, she seems intent on trying to drag him out of his dark mood. Her efforts unnerve him however, as he fights the feeling that this girl seems just a little too familiar with his past. Meanwhile the investigation into the diabolical murders of his friend and others will soon lead him on a journey that will end at a place that he had never expected the darkest corners of the Catholic Church!

And finally, *In Case of Death* finds Gabriel confronted by a different kind of problem. Two lost loves from his past want to hire him to investigate the deaths of their husbands! Having moved away from law enforcement, Gabe and his newly discovered daughter Abby have started a private investigative firm. Taking his friend's case, Gabe and Abby soon find that men are dying by the same man's hand all over the world! And if that weren't enough, they then discover that he lives in their own back yard. Tracking the murderer becomes cumbersome as he hides in plain sight, his name hidden behind the gibberish of a mysterious book. When they finally do

start getting close he brings their world crashing down around them! Set in southeast Indiana, In Case of Death weaves a global story of action and suspense that will leave you begging for more! Also included are two of the prequels to the series! The first, The Journal, has young Gabe dealing with the death of his grandfather, an important figure in his life as you can see in the rest of the stories. In the abducted, I delve into a little known, little talked about aspect of Gabriel Celtic's life.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'âge lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
