

## Tubby Dubonnet Mysteries Vol 5-6

The FIFTH and SIXTH funny, offbeat, and surprising legal thrillers in the Tubby Dubonnet series. CORRUPTION, MURDER, AND A REALLY GREAT POBOY Take one cup of Raymond Chandler, one cup of Tennessee Williams, add a quart of salty humor, and you will get... Dunbar's crazy mixture of crime and offbeat comedy. -The Baltimore Sun A New Orleans lawyer who'd rather eat, drink, and swap stories than get caught in court, Tubby Dubonnet, cleaving faithfully to his guiding principles Never screw a client and never lie to the judge, manages, in his own laconic fashion, to right many of the wrongs that beset his clients. In these late-series books, he's experiencing the pride and satisfaction of new grandparenthood. And he's taken on some additional civic duties, agreeing to co-chair the reelection campaign of his good friend, Judge Hughes. But in Tony Dunbar's books, New Orleans is The Big Sleazy squared. No one is safe, especially from their elected officials. Even if they are an elected official. Half the fun of a Tubby Dubonnet book is watching his sly creator fit together a plethora of fascinating yet seemingly unrelated jigsaw pieces to form a picture you never saw coming. And the other half is hanging out with Tubby and his crew of eccentrics, sleazeballs, goofballs, and enticing, confusing babes in the Big Easy-to-Love. The food descriptions are no slouch either. These are funny-hard-boiled mysteries with as many laughs as chills, because no matter how dire things get, Dunbar never loses his sense of humor: I think he's going to shoot us once we're out in the Gulf, Tubby whispered to the girl. His aura is green, she agreed. Dunbar has an excellent ear for dialogue His stylish take on Big Easy lowlife is reminiscent of the best of Donald Westlake and Elmore Leonard. -Booklist WHO WILL LIKE THESE: Fans of Treme, softshell crab po boys, Domilises, the Upperline

Restaurantwait, lets start over, its not all about the foodok, fans of legal mysteries, (particularly Parnell Halls Steve Winslow series and anything by Lia Matera), comic mysteries, Elmore Leonard, funny lawyer movies like My Cousin Vinny, TV shows like Ally McBeal and Night Court; and everyones favorite New Orleans yarn, Confederacy of Dunces. Vol. 5: CRIME CZAR Its a city of sin. And murder is only one of them. Tubby Dubonnet cant forget the last words that escaped an old friends lips, and he cant get out of the way of a political campaign thats turning rough. Obsessed with the idea that a shadowy crime boss may be pulling the strings that have cost good people their lives, Tubby is entering into a test of courage with the most violent men in New Orleans. And if that werent dangerous enough, hes just picked up the worst ally he could ever find: a beautiful prostitute gunning for revenge. Vol. 6: LUCKY MAN When the D.A. himself sets you up, you know youre going down So what if Judge Hughes shared a few special moments with Sultana Patel why is this a matter of public interest? The stench from that courthouse fills the city, roars D.A. Marcus Dementhe. Those hypocritical men and women who wear the robes are filthy with deception. And Dementhe has a zany plan to snare them. Hughes, happily, has had the good sense to hire epicurean lawyer Tubby Dubonnet, whose laconic air is belied by his zeal to protect his clients. And what a web theyre ensnared in! raffish charm and humor-- The New York Times

Et les renforts arrivent encore Bon Ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais Ça va Ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Oui certains diront que Ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'acier lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
