

The Grave Maurice

Chew on this, says Melrose Plant to Richard Jury, who's in the hospital being driven crazy by Hannibal, a nurse who likes to speculate on his chances for survival. Jury could use a good story, preferably one not ending with his own demise. Plant tells Jury of something he overheard in The Grave Maurice, a pub near the hospital. A woman told an intriguing story about a girl named Nell Ryder, granddaughter to the owner of the Ryder Stud Farm in Cambridgeshire, who went missing more than a year before and has never been found. What is especially interesting to Plant is that Nell is also the daughter of Jury's surgeon. But Nell's disappearance isn't the only mystery at the Ryder farm. A woman has been found dead on the track—a woman who was a stranger even to the Ryders. But not to Plant. She's the woman he saw in The Grave Maurice. Together with Jury, Nell's family, and the Cambridgeshire police, Plant embarks on a search to find Nell and bring her home. But is there more to their mission than just restoring a fifteen-year-old girl to her family? The Grave Maurice is the eighteenth entry in the Richard Jury series and, from its pastoral opening to its calamitous end, is full of the same suspense and humor that devoted readers expect from Martha Grimes.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme à chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200

trous c'est : 594 soldats -de l'acier - lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis d'accord de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
