

## Family Circle Eat What You Love & Lose: Quick and Easy Diet Recipes from Our Test Kitchen

What happens when six dedicated foodies who are paid to eat need to lose weight? After years of cooking and tasting as many as ten different dishes a day, the staff of the test kitchen joined that majority of Americans who want to lose anywhere from 10 to 30 pounds. Their backgrounds are diverse -- from working moms to singles -- but their weight-loss goal united them. So the test kitchen team went on a 15-week diet. The results were amazing: Every single team member met or exceeded her or his weight-loss goal. Now, on the Eat What You Love & Lose plan, you'll benefit from their experience and wisdom with a sensible 14-day program and more than 250 fast and fabulous recipes that get the best flavor out of every calorie. Because the plan is so flexible, it's easy to follow. And because the recipes are so delicious, you'll never feel deprived. All of the main dishes weigh in with fewer than 350 calories -- most with substantially less -- and all of the desserts contain fewer than 200 calories. Enjoy these and many other tasty dishes and watch the pounds melt away!

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla lundi 1 aoÅt 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe Å l'infanterie. j'adore l'Åbarbage. Oui certains diront que Åa fait parti du hobby mais c'est vraiment ce que je dÅteste le plus. Et puis lÅ c'est de l'industriel. PubliÅ par CdtK Å 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest LibellÅs : Blabla vendredi 22 juillet 2016 Pour une poignÅe de trous en plus VoilÅ les plaquettes de 6cm ont ÅtÅ percÅ... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la mÅche. Mais voilÅ pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin aoÅt-. Mais Å quoi Åa correspond? Donc dire des trous c'est bien mais Åa renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de lÅger Å lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis dÅÅsu de ne pas avoir plus de soldats Å pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la mÅme table. Mais bon quand on voit que pour 30e -3 plaquettes- j'ai pu faire celle lÅ et autant en 8cm, Åa va. Il faut voir ce que cela m'aurait coutÅ dans le commerce. On y rajoute le prix des aimants -15e les 1000 fdpin- et j'ai quand mÅme un trÅs bon rapport qualitÅ-prix par rapport Å ce que je recherchais. Il le reste Å Åbarber les

trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines. Publié par CdtK le 09:52 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis!
