

Judas: The Definitive Collection of Gospels and Legends About the Infamous Apostle of Jesus

Judas Iscariot has been demonized as the quintessential traitor, the disciple who betrayed his master for the infamous thirty pieces of silver. But the recent sensational discovery and publication of the long lost Gospel of Judas, with its remarkable portrayal of Judas Iscariot as the disciple closest to Jesus, raises serious new questions. Was Judas the only member of the Twelve who truly understood Jesus? Did Jesus secretly collaborate with Judas to set in motion the series of events that would redeem all of humankind? In search of answers, Marvin Meyer, one of the worlds leading experts on the Gospel of Judas presents a collection of the earliest accounts of Judas, which together paint a fuller portrait of this most enigmatic disciple. This book presents the essential texts that deal with the figure of Judas, including New Testament writings, Gnostic documents, and other early and later Christian literature. These are the earliest known testimonies about Judas and include selections from the gospels of Mark, Matthew, Luke, and John, the Acts of the Apostles, and relevant passages from Paul. The centerpiece of the book is the Gospel of Judas, followed by excerpts from three other Gnostic texts the Dialogue of the Savior, the Concept of Our Great Power, and the Round Dance of the Cross which may shed new light on the figure of Judas. A series of additional writings on Judas produced over the centuries provide glimpses of the vilification of Judas and the emergence of anti-Semitic themes. Meyer offers evidence of traitors before Judas the Genesis story of Josephs brothers who sold him into slavery, the duplicitous friend of the poet in Psalm 41, and Melanthius the goatherd in Homers Odyssey all of which raise the question of whether the story of Judas Iscariot could be simply a piece of religious fiction derived from earlier stories. Judas provides a rich collection of original sources that tell the story of

Christianity's most infamous figure, offering the fullest understanding of Judas Iscariot's undeniable importance in the climax of Jesus's life.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'âge à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
