PRIVATE EYE WRITERS OF AMERICA AWARD FINALIST! The First 3 Novels In The Burnside Mystery Series (Boxed Set # 1) Includes: POST PATTERN FADE ROUTE BUBBLE SCREEN POST PATTERN (Book 1): On a dark Los Angeles freeway, someone fires a gunshot at a local football star. His family turns to Private Investigator Burnside, a former football star himself, who has recently left the LAPD. As he battles his way through the investigation, Burnside's own life is repeatedly placed in jeopardy, and the body count starts to pile up. Burnside encounters beautiful girls, wayward athletes and overworked cops on his way toward finding a killer who knows he's looking for them. And as he navigates this perilous path, Burnside also comes to grips with a betrayal from his past, one that keeps returning to him, no matter how hard he tries to avoid it. Set against the sun-drenched backdrop of a hot Los Angeles summer, Post Pattern provides readers with an engaging, action-packed story. The novel delivers a smart, sexy plot with crackling dialogue and fascinating characters. FADE ROUTE (Book 2): A candidate for mayor has been murdered and there's one obvious suspect. But Burnside, the former football star turned private investigator, pushes forward into a harrowing investigation that reveals more and more possible culprits, all with their own motives. As the action intensifies, Burnside himself becomes embroiled in a case which goes beyond just one murder. And when the police suspect he's a person of interest, Burnside must race against time to find the killer. With little more to go on than his gut feeling, Burnside pokes at everything around him. Desperately trying to untangle a web of deceit that threatens to destroy him personally, he is also faced with a scenario that could take down an entire community.. BUBBLE SCREEN (Book 3): It starts with some missing

warehouse inventory, but the case quickly moves beyond simple larceny. And when theft turns to murder, the stakes rise dramatically, and the action intensifies.

The story leads Private Investigator Burnside onto the trail of some people who will do anything to acquire money -- and they will use any means necessary to keep it. And as he plunges into the investigation, Burnside also has to make a life altering decision about his own future.

Interweaving the world of business with the world of football, Bubble Screen is set in the heart of Los Angeles. It is a captivating thrill ride that combines fascinating characters, wry humor, and an explosive ending that is both stunning and unexpected.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut à barber presque tout le tour de la figurine... oui oui.- Comme à chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout à barbe :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je déteste le plus. Et puis là c'est de l'industriel. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de légèrer à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner à mes figurines.
