

The K Street Hunting Society: Frank Pavlicek Mystery Series, Book 6

Its supposed to be an easy paycheck for private investigators Frank Pavlicek and his daughter Nicole. Their friend and fellow falconer Jake Toronto has a new client: multi-millionaire Raquel Greensmythe, founder and CEO of Greensmythe Global. Greensmythe keeps a stable of prized falcons at her Northern Virginia estate while her firm hunts sensitive information, using sophisticated data mining techniques to make predictions about pending legislation and other issues for lobbying firms, Wall Street bankers, and other high paying customers. All Frank and Nicole have to do is help Jake escort Greensmythe and one of her Vice Presidents as they attend a series of meetings in Washington, D.C. But when a professional killer ambushes them in an underground K Street parking garage, one of the executives ends up dead, Jake is shot in the hand, and Nicole is critically wounded. For Frank and Jake, the hunt is on for a killer even the cops refer to as a ghost. Its a pursuit that will test them as never before. THE K STREET HUNTING SOCIETY is Book 6 in Strakas Shamus Award-winning Frank Pavlicek mystery series. Other books in the series, in order, include: A WITNESS ABOVE, A KILLING SKY, COLD QUARRY, THE NIGHT FALCONER and FLIGHTFALL. ANDY STRAKA is the bestselling author of ten novels, including the Shamus Award-winning Frank Pavlicek mystery series. A licensed falconer, he lives near Charlottesville, Virginia-within sight of the Blue Ridge Mountains, but close enough to Washington, DC, to feel the tremors.

Et les renforts arrivent encore Bon Åa sera la derniÅre revue de troupes de la semaine. Donc on arrive Å 300 figurines il en reste donc 420... mais Åa va Åa avance bien. Je m'amuserais surtout sur les petites piÅces. LÅ c'est du monobloc donc mÅme si la ligne de moulage est visible -donc il faut Åbarber presque tout le tour de la figurine... oui oui.- Comme Å chaque dÅbut de dÅfi, je suis dans les temps, limite mieux qu'espÅrer. Mais par expÅrience je sais que c'est le creux du dÅfi qui m'est fatal donc on verra quand j'aurais tout ÅbarbÅ :) PubliÅ par CdtK Å 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! photo pour montrer que je passe à l'infanterie. j'adore l'arcbarbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je déteste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'âge lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
