

Rebel Island

From the #1 New York Times bestselling author of the Percy Jackson and the Olympians series A triple-crown winner of mystery's most coveted awards, Rick Riordan brings his Texas-style take on the crime thriller to an island paradise where ex-P.I. Tres Navarre finds himself stranded with a killer as unstoppable as a force of nature. Tres Navarre and his new wife Maia came to celebrate their honeymoon. But no sooner had they arrived on Rebel Island than a reminder of Navarre's past showed up dead in room 12. Suddenly Tres finds himself flashing back to the grim childhood summer that changed his life. When a second corpse turns up, it's clear that the past isn't dead and buried yet. What dark secrets were kept that long-ago summer and who is back to avenge them? These are questions Tres must answer as a monster hurricane hits, trapping them on a flooding island, and as the hotel's remaining guests are being brutally murdered. Tres knows better than anyone the dangerous line between vengeance and justice and this time he may have to cross it.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme à chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de léger à lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis désolé de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à barber les

trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines. Publié par CdtK 09:52 2 commentaires: Liens vers cet article Envoyer par e-mail BlogThis!
