

Nothing But Trouble

Santa Fe Police Chief Kevin Kerney is back in the tenth and most entertaining novel in Michael McGarrity's acclaimed mystery series. After years away on the pro rodeo circuit, Johnny Jordan struts into Santa Fe to ask his boyhood friend, Santa Fe Police Chief Kevin Kerney, to serve as a technical advisor on a contemporary Western movie to be filmed along the Mexican border. Kerney agrees and plans a working vacation on location, in a remote area of the state known as the Bootheel, with his wife, Lt. Colonel Sara Brannon, and their three-year-old son, Patrick. But, a dead man on the road near an isolated border crossing, a federal undercover investigation into immigrant smuggling, the search for a fugitive from military justice hiding somewhere in Europe, and Johnny Jordan's troublesome behavior all ensure that nothing goes as planned. As separate investigations embroil them in circumstances that will forever change their lives, Kerney must care for Patrick while Sara plays a dangerous game of Pentagon politics. Packed with family secrets, international intrigue, and memorable characters, this is McGarrity's most ambitious and involving novel to date--traveling an accelerating arc from Santa Fe to the desert grasslands and mountains of the Bootheel, to the most secret levels of the Pentagon, to a resort town on the coast of Ireland, and back to an adrenaline-charged climax on a desolate landing strip a few miles north of the Mexican border.

Et les renforts arrivent encore Bon ça sera la dernière revue de troupes de la semaine. Donc on arrive à 300 figurines il en reste donc 420... mais ça va ça avance bien. Je m'amuserais surtout sur les petites pièces. Là c'est du monobloc donc même si la ligne de moulage est visible -donc il faut barber presque tout le tour de la figurine... oui oui.- Comme chaque début de défi, je suis dans les temps, limite mieux qu'espérer. Mais par expérience je sais que c'est le creux du défi qui m'est fatal donc on verra quand j'aurais tout barbé :) Publié par CdtK à 17:37 4 commentaires: Liens vers cet article Envoyer par e-mail BlogThis! Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla lundi 1 août 2016 Revue des troupes Bon juste une petite photo pour montrer que je passe à l'infanterie. j'adore l'barbage. Oui certains diront que ça fait parti du hobby mais c'est vraiment ce que je teste le plus. Et puis là c'est de l'industriel. Publié par CdtK à 17:06 2

Partager sur Twitter Partager sur Facebook Partager sur Pinterest Libellés : Blabla vendredi 22 juillet 2016 Pour une poignée de trous en plus Voilà les plaquettes de 6cm ont été percées... 1200 trous... oui oui. 1200 trous dans du plexi -vous savez le truc qui se colle une fois sur deux sur la machine. Mais voilà pour les 6cm c'est fini et je verrais pour les 8cm de front plus tard -je dirais fin août-. Mais à quoi ça correspond? Donc dire des trous c'est bien mais ça renseigne pas beaucoup alors 1200 trous c'est : 594 soldats -de l'âge lourd- 231 cavaliers et 24 canons avec 4 artilleurs. Oui monsieur. Bon alors je suis d'accord de ne pas avoir plus de soldats à pied. C'est pas super grave, je doute que toutes les plaquettes soient un jour sur la même table. Mais bon quand on voit que pour 30€ -3 plaquettes- j'ai pu faire celle là et autant en 8cm, ça va. Il faut voir ce que cela m'aurait coûté dans le commerce. On y rajoute le prix des aimants -15€ les 1000 fdpin- et j'ai quand même un très bon rapport qualité-prix par rapport à ce que je recherchais. Il le reste à débiter les trous pour y glisser l'aimant et ça sera parfait je pourrais retourner mes figurines.
